**TIRZ 2 Development**

A second Town Hall Meeting on the TIRZ 2 Development will be held at 7:00 p.m. on Thursday, January 12, 2023, at the Civic Center Auditorium. During the meeting, the City Council and Staff will be available to answer questions concerning the development of this area to include a stadium. We hope that you will join us to learn more about the development of this area.

The first Town Hall Meeting on this subject was held on December 5, 2022. Residents attending this meeting had good questions. In order to share the answers to those questions with those unable to attend, the City has put together an informative webpage. Follow this link to learn more about the development of this area: [www.jerseyvillagetx.com/page/econdev.towncenter](http://www.jerseyvillagetx.com/page/econdev.towncenter). ★

## Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

Promotions: On Thursday, November 17, 2022, Corporals Bryant Wells and Nathan Pritz were promoted to the rank of Sergeant. Officers Eric Aldava and Thomas Broadus were promoted to the rank of Corporal.

Sgt. Wells graduated from Sam Houston

State University with a Bachelor of Science in Criminal Justice in 2010. He started his law enforcement career with Huntsville Police Department in 2012. While in Huntsville, he took on supervisory duties as the Officer in Charge (OIC) when the sergeant was off. He joined the Jersey Village Police Department in October of 2021. Sergeant Wells has his Master Peace Officer license. Sergeant Well's daughters did the honors of pinning their dad's badge at the promotional ceremony.

Sgt. Pritz began his law enforcement career by serving eight years in the United States Air Force as Security Police. He completed three deployments, two in support of Operation Iraqi Freedom and one in support of Operation Enduring Freedom in Afghanistan. He was awarded an Air Force Commendation Medal and two Air Force Achievement Medals. He joined the Walker County Sheriff's Office in 2016 and served five years in the patrol division as a senior deputy and field-training officer. He joined the Jersey Village Police Department in March 2021, promoted to corporal in May and sergeant in October 2022. He currently holds a Master Peace Officer license, and he is one of our departmental firearms instructors. Sgt. Pritz's son, Judson did the honor of pinning his dad's badge at the promotional ceremony.

Corporal Eric Aldava grew up in the Pasadena area where most of his family lives. He made the decision to make law enforcement a career and attended the Police Academy in 2016, where he met his wife, Kayla. In November 2016, he joined the College Station Police Department and

achieved the rank of corporal. After having their daughter, he felt it was best to move back to the Houston area to be closer to his family. He joined the Jersey Village Police Department in April of 2022. He is grateful for this opportunity and is eager to see where his new leadership role takes him. His father did the honor of pinning his badge at the promotional ceremony.

Officer Thomas Broadus joined the Jersey Village Police Department in March of 2022. He is a native Texan, a United States Coast Guard Veteran, and he comes from a long line of law enforcement. Corporal Broadus served with the Victoria Police Department for seven years assigned to the Auto Theft Unit as lead detective. He is a field training officer, hostage negotiator, and a current member of the Texas Association of Vehicle Theft Investigators. Chief Riggs did the honor of pinning Corporal Broadus badge at the promotional ceremony. City Manager, Austin Bleess along with several city employees and family members attended the ceremony. ★

**Congratulation on their accomplishment!**

## **Tip of the Month**

You can still practice in rain and cold weather, even if you cannot get to the course. Practice throughout the couple of bad months. Go to the garage or a tall ceiling room in the house and swing!

1. Take a weighted club (or hold clubs together), swing back and forth 12" from the floor, and continue to lengthen the swing as you get loose. Stretch even further than your normal swing. Try to keep your weight between your feet, feeling a more coiling or turning of the middle body. Do this 50 to 100 times.

2. Take a mid-iron and get your normal grip and stance; then hold the club several inches off the floor. Swing in extremely slow motion, take your club back to your full backswing; then swing forward to the finish position and hold for several seconds. Keep your balance and try not to waver. When you go extremely slow, you can feel all the muscles turning and twisting. Do this 50 to 100 times.

3. Now do the same thing, but swing with your eyes closed. Yes, eyes closed! This really helps you feel the balance and importance of balance as you swing to the top and then to the finish. Again, hold you finish for several seconds (with your eyes still closed). Good balance is so important in a good swing and this drill helps you FEEL it! Do this 50 - 100 times.

4. Now... do the complete opposite. Get your normal grip and stance and hold the club several inches off the floor. Make your normal swing, but way way faster! Swing 150% faster! While swinging faster try to maintain balance as best as you can and REALLY SEE AND FEEL YOUR HANDS RELEASE RIGHT AT THE BOTTOM OF THE SWING. A faster than normal swing can help this happen better and train your hands on what they should be doing at impact.

If you do these 4 things on a rainy cold day, you can still get a couple of hundred swings in even though there is no golf ball. Then on the FIRST pretty day - get yourself to the Jersey Meadow driving range and hit hit hit!

### What to say during a 911 call?

In the United States when calling 911, the telecommunication operator will usually start the conversation by saying something like "What's your emergency?" To expedite help, take a deep breath while calling to focus and calm yourself, and in a clear and calm voice be prepared to answer the following questions:

- **Nature of emergency:** Such as vehicle collision, fire, medical or trauma emergency, behavioral emergency, situation requiring law enforcement, or special situation (such as hazardous materials spill or other issue requiring containment or special rescue).
- **Location of emergency:** Be as specific as possible. Examples: The specific area of the building or property, which side of the road or intersection and any instructions for accessing the site including the direction of approach or gate/security codes.
- **A call back number:** In case the call is disconnected or responders have trouble finding the site.

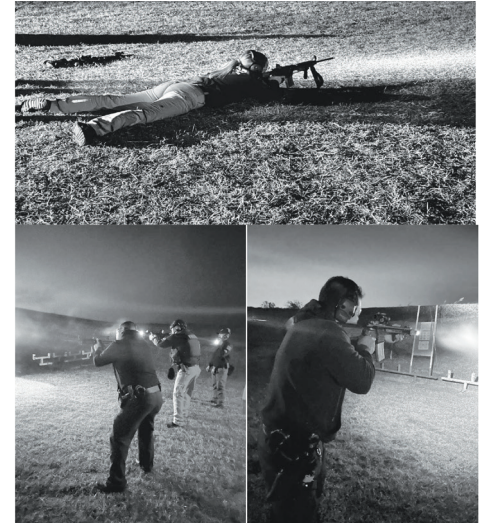

• **Number of people affected and their conditions:** This is important so the appropriate number of resources can be dispatched to your location. Helpful basic information to provide to the telecommunication operator would be; are the victim/s **breathing, pulse present and any significant bleeding or other life-threatening injuries.**

**Training** - Sergeant Wells and Rodriguez attended HR Supervisor training at West University.

Crime statistics indicate that 90% of Officer Involved Shootings (OIS) by law enforcement officers occur in low-light conditions. Therefore, training to prepare them to be proficient with their firearms in these conditions to eliminate the threat to protect themselves or others is critical. During the month of June, Sergeants Limerick, Brandon, and Pritz provided training to all Jersey Village Police officers to improve their skills and accuracy in low-light conditions. This type of training will improve the officers' marksmanship, and instill the confidence needed to perform their job duties if they are placed in a life-threatening

situation. Both pistol and rifle training were performed at the Katy Police Department Firearms facility. We would like to thank the City of Katy and Katy Police Department for their hospitality in allowing us to train at their facility.

**Extra Patrol** - Concerned about suspicious activity in your area? Residents can call us on our non-emergency line 713-466-2118 24/7 to request this police service. You can also request an extra patrol by going to our webpage: [www.jerseyvillagepd.org](http://www.jerseyvillagepd.org) and click on **Make an Extra Patrol Request.** ★

### Tip of the Month

#### Lag Your Putts for a Better Score!

Everybody should know, the quickest way to lower your score is - Less Putts! Quit trying to make every putt every time. Some putts are just not makeable and should be lagged. If you have 3 or 4 three putts and even a four putt every round, you are killing your score.

Play a mental game with your putting during your next round and for any putt longer than 15' literally only try to get it close (not in). Imagine a 3' diameter circle around the cup and ONLY try to get into the imaginary circle (not in the cup).

Your three putts will disappear and occasionally one will even go in - A BONUS!! This could easily lower a score 5 or 6 strokes in a round and turn that 95 into a 89!!!!

**Happy Golfing - Matt Jones**

### Residential Trash Pick Up Information

Solid waste and recycling services are provided to City residents through tax revenues.

The City currently contracts with GFL for solid waste and recycling services. Solid waste pick-up days are on Tuesday and Friday; recycling is picked-up on Wednesday. Please have waste/recycling ready for collection no later than 7:00 a.m. Heavy trash items can be picked up on Friday however, these items are limited to one (1) heavy item per heavy trash collection day.

Currently, homeowners must provide their own waste cans which are available for purchase at most home improvement stores. Recycling bins are provided to city residents by GFL. A recycle bin can be requested by calling Public Works at 713-466-2133. ★

## Construction Advisory for White Oak Bayou Federal Flood Damage Reduction Project - Project ID: E100-00-00-E005

The Flood Control District recently resumed construction on segment E100-00-00-E005 of the White Oak Bayou Federal Flood Damage Reduction Project. This segment of the White Oak Bayou Federal Project spans from FM 1960 to Hollister Road, through Jersey Village. Upon completion, this project area, along White Oak Bayou will see water surface elevation reductions of 0.1 to 2.49 feet for the 1 percent (100-year) flood event.

The project will include channel excavation, channel grading, and outfall pipe replacements. Road bridges, pedestrian bridges, and pipe bridges will have slope paving, channel lining, and rip rap installed to help protect the structures from damage and erosion.

Residents near the project area may begin to see increased construction activity around these waterways, which will include trucks and heavy machinery. Residents are urged to respect all warning signs as work crews move around the area. Trails in the project limits will remain closed for the duration of construction for the safety of the public and construction personnel.

As per federal grant requirements associated with this project, the White Oak Bayou Federal Project also includes the implementation of recreational features to include the installation of hike and bike trails along the main stem, bypass channel, and around the detention basins within the federal project limits. Additionally,

new hike and bike trail parking lots will be constructed adjacent to area detention basins.

The Flood Control District works to reduce flooding across the region and is committed to keeping residents informed. For more information on this project or other Flood Control District projects, please visit [hcfcd.org/C-14](http://hcfcd.org/C-14).

## Tip of the Month

### HELP- HELP - HELP!!!

This time of the year is so hard on a golf course. With all the grass mostly dormant, all cart traffic is so noticeable and does do damage. Please pay attention to all our enter and exits signs and please don't leave the path till you see enter sign and always leave the fairway before the exit sign. If we could even get half the golfers to use the "90 degree rule", and drive at a 90 degree from and to the cart paths, this would really help. One pet peeve of mine is watching a driver leave the cart path to go around a water puddle on the cart path. What Really? Yep, I have seen it a hundred times and it totally ruts up the sides of the paths. Please just go slow and drive through the puddle while staying on the path. In addition, our cart paths are narrow, (unlike the brand-new Berm Project cart paths on 3,4,5,6) so please try to keep all the tires on the path at all times until you leave the path for your "90-degree trip" to your ball. And last but, not least, on Cart Path Only days - that means cart path only. I see people going around their playing partners cart before they have returned to drive forward, please wait and be a little patient and do not go around and make ruts. These are just a few things, but it takes all of us to make our course better from the player's side of things. Spring is right around the corner and growing season too! Happy Golfing! Matt Jones

## Even out the highs & lows of your monthly utility payments!

The City of Jersey Village now has Average Monthly Payments (AMP) sometimes referred to as budget billing. The City of Jersey Village Average Monthly Payment (AMP) program is designed to help customers avoid unpredictable and fluctuating bills by leveling out payments over the year allowing customers to budget their monthly payments. The AMP is for residential customers and is a free service.

### Requirements:

- Residential customer must request AMP
- Customer must have had a minimum of twelve (12) months of continuous utility service with the City of Jersey Village
- Balance must be current with no past due amounts owed
- No non-payment cutoffs within the past twelve (12) months

- If removed from AMP for any reason, cannot be added back to AMP for twelve (12) months.

Monthly payment will change each month based on the rolling average of the prior twelve (12) months of bills & will begin with the billing cycle after this agreement. If the account is eligible, extensions may be granted while on the AMP program. If services are cutoff for non-payment or for any reason while on the AMP program, the full balance will be due prior to reconnection and the account will be removed from the AMP program for twelve (12) months.

Visit the City's Home Page and see the "Average Monthly Billing for Utility Bills" listed under "Latest New" - [www.jerseyvillagetx.com/](http://www.jerseyvillagetx.com/)

## Tip of the Month

### “HOLD THE CLUB- DON'T GRIP IT”!

Yes, that's right, when golfers think I'm gripping the club they generally are squeezing too, too tight. I wish a hundred of years ago all the instruction books would have used the terminology, this is how to hold the club not this is how to grip your club. A grip is a rubber type material that is part of the club – Our hands go on the grip and we hold it correctly. Too tight of a grip (squeezing real tight causes too much of an arm swing and generally makes the club head go on a outside to in path on the forward swing. WE hold a pen to write, we hold a toothbrush to brush our teeth - we don't grip them. Try a looser grip with all 10 fingers and allow the hands to be free and be able to cock and uncock through hit. Good Luck

**Happy Golfing - Matt Jones**

## City's May 6, 2023, General Election Information

As you may have heard, the City will contract with Harris County to conduct its May 6, 2023, General Election. The City chose to contract with the County in order to give voters more flexibility in casting their vote for the Mayor and City Councilmembers Place 2 and Place 3.

In contracting election services to Harris County, perhaps the best source of information about what this means to you and Jersey Village residents is the City's General Election Notice. You can view a copy of the election notice at: <https://www.jerseyvillagetx.com/page/city-elections-notices>. This notice contains all the information for voters in connection with their voting activities.

In accordance with the Joint Election Agreement, Harris County will perform all of the duties that are connected to the election, including early voting and voting by mail

activities. They will also be responsible for counting the votes and preparing the unofficial and official Precinct Returns. You will need to visit their website for this information at: <https://www.harrisvotes.com/Election-Results/Election-Rosters> for the election rosters (day to day counts); and <https://www.harrisvotes.com/Election-Results/Election-Reports> for the election reports (unofficial and official vote counts).

The Harris County home page is: <https://www.harrisvotes.com/?lang=en-US>.

On Election Night, the City Secretary will be monitoring the Harris County home page for the election returns. Once the City's returns are posted, they will be uploaded to the City's website at: <https://www.jerseyvillagetx.com/page/city-elections>.

### Jersey Village Police Department Drone Implementation

Today Law Enforcement agencies are turning to technology to assist them with day-to-day operations in order to keep communities safe. The Jersey Village Police Department strives towards keeping up with technological advancements. According to the Center for the Study of the Drone, it is estimated that the number of public safety agencies with drones has increased by

approximately 82% from 2017 to 2018. In 2020, that number grew by 500 agencies. There are now more than twice as many agencies that own drones, as there are agencies that own manned aircrafts in the United States.

In March of 2023, Jersey Village Police Department joined this growing number by purchasing two DJI Mavic 3T Drones. Drones also known as Small Unmanned Aircraft Systems (sUAS) are able to take flight, and collect data on objects below. They can simultaneously provide live visual monitoring to officers on the ground. Research has determined that drones are an effective tool used in a variety of police related functions. The implementation of drones in Jersey Village will assist officers with surveillance in high property crime areas, special events, search and rescue, crime scene mapping, and routine patrol. Drones allow for coverage over large areas that would

typically take a larger number of officers to cover.

In February of 2023, Corporal Polster, Corporal Paz, Officer Skero, and Detective Mong attended a forty-hour Small Unmanned Aircraft Systems (sUAS) public safety course hosted by TEEX (Texas A&M Engineering Extension Services). The course provided these officers with a foundation on sUAS Performance and Maintenance, Emergency Procedures, Air Space Classification, Certificates of Authorization (COA) and Waivers, Aviation Weather and Sources, Airport Operations, Crew Resource Management (CRM), Aeronautical and Physiological Decision Making (ADM), DJI Systems and Checklists, Field Training, and FAA Regulations. At the completion of the course, they received their FAA 107 Drone Pilot License. ★

### Get Flood Insurance Today

Your homeowner's insurance policy does not cover you for floods. However, because Jersey Village participates in the National Flood Insurance Program (NFIP), you can purchase a separate flood insurance policy. This insurance is backed by the Federal government and is available to everyone, even properties that have been flooded. Getting a flood insurance policy will help to pay for repairs after a flood, and in some cases it may help to pay for the costs of elevating a substantially damaged building. If your property is not mapped in a Special Flood Hazard area, you may qualify for a lower-cost Preferred Risk Policy. Some people have purchased flood insurance because it was required by the bank when they get a mortgage or home improvement loan. Usually these policies just cover the building structure and not the contents. Be sure you have contents coverage. Don't wait for the next flood to buy flood insurance protection. In most cases, there is a 30-day waiting period before National Flood Insurance program coverage takes effect, so be proactive and get your flood insurance today! ★

**For more information on flood insurance talk with our Community Development Office at City Hall or by calling 713-466-2110, talk with your homeowners or renters insurance agent or visit [www.floodsmart.gov](http://www.floodsmart.gov).**

## **Tip of the Month**

### **"HOLD THE CLUB- DON'T GRIP IT"!**

Your width of stance is so important for correct balance and turn during your swing.

Always get your stance shoulder width. Remember "shoulder width" means big toe to big toe not outside of foot to outside of foot. Every once in a while do a check, measure your shoulders with a club or alignment stick and bend down and check your width of feet. If too wide this could restrict your turn during the swing - if it is too narrow you could sway or lose your balance during the swing. Always have a shoulder width stance for a better swing.

## **City's May 6, 2023, General Election Information**

As you may have heard, the City will contract with Harris County to conduct its May 6, 2023, General Election. The City chose to contract with the County in order to give voters more flexibility in casting their vote for the Mayor and City Councilmembers Place 2 and Place 3.

In contracting election services to Harris County, perhaps the best source of information about what this means to you and Jersey Village residents is the City's General Election Notice. You can view a copy of the election notice at: <https://www.jerseyvillagetx.com/page/city-elections.notices>. This notice contains all the information for voters in connection with their voting activities. In accordance with the Joint

Election Agreement, Harris County will perform all of the duties that are connected to the election, including early voting and voting by mail activities. They will also be responsible for counting the votes and preparing the unofficial and official Precinct Returns. You will need to visit their website for this information at: <https://www.harrisvotes.com/Election-Results/Election-Rosters> for the election rosters (day to day counts); and <https://www.harrisvotes.com/Election-Results/Election-Reports> for the election reports (unofficial and official vote counts).

The Harris County home page is: [www.harrisvotes.com/?lang=en-US](http://www.harrisvotes.com/?lang=en-US). On Election Night, the City Secretary will be monitoring the Harris County

home page for the election returns. Once the City's returns are posted, they will be uploaded to the City's website at: [www.jerseyvillagetx.com/page/city.elections](http://www.jerseyvillagetx.com/page/city.elections). ★

## **Tip of the Month**

### **"It's that Time Again"!**

Yes, late spring and summer is here. That means take care of yourself for those 4 hours you are in that heat and sun. Always, (always, always, always!) put sunscreen on. Do not chance it. I did for 20 years as a Pro and I am paying the price with a skin disease now. If you forgot yours, no worries, we have several different types in the pro shop for purchase.... Bugs, (bugs, bugs, bugs!) yup, we have um and you need to always have mosquito and gnat spray at all times. Forgot yours, no worries we have mosquito spray and a new type spray that repels all gnats, mosquitos, biting flies and no-see-ums...Snakes, (snakes, snakes, snakes!) Yes, we have them and even though we do not have a spray for them – be careful when looking for balls, especially around lake edges and tall grass and pampas grass. I have a golden rule when I am looking for a ball, ALWAYS carry an iron with you, use it as a "wand", and never put your hand down into the grass to move it or to pick a ball up in or near water or tall grass with your hands. Flick it out with the club far enough away that it is safe to pick it up. I hate snakes!!! With all that said stay safe out there and always wear a hat/cap and now many golfers wear long sun sleeves or long sleeve sun shirts for extra protection.

**CITY ACCEPTS PARKING PERMIT APPLICATIONS BEGINNING AUGUST 1, 2023**

The Cy-Fair ISD 2023-24 school year begins August 28, 2023. The City will begin accepting applications on August 1, 2023 for parking permits that allow certain residents to park on certain city streets within the school zones during the 2022-24 school year. In 1999 City Council passed an ordinance providing exceptions in the no parking/tow-away zones on your street. The ordinance established a permit system, which, upon application, issues two parking permits. A person may park a motor vehicle, which displays

the issued permit, on the street in front of the address on the permit. The parking permit is issued annually upon application at no charge; however, replacement permits are \$25.00 each. If you are interested in applying for a parking permit, please complete the automated Application for Parking Permit found on our website at [www.ci.jersey-village.tx.us/page/city](http://www.ci.jersey-village.tx.us/page/city). forms beginning August 1, 2023. ★

## Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

**Summer Safety Tip:** When parking your vehicle in a parking lot, it is important to follow certain precautions to ensure its safety. Here are some steps you can take:

**Lock your vehicle:** Always make sure to lock all doors and windows before leaving your vehicle unattended. This simple action can deter potential thieves and make it more difficult for them to gain access to your vehicle.

**Take your keys:** Never leave your keys in the vehicle, even for a short period. Take them with you to prevent unauthorized individuals from starting or accessing your vehicle.

**Hide valuables:** Remove any valuable items from plain sight or take them with you. Items such as purses, wallets, electronics, or bags can attract thieves and increase the risk of a break-in. If you must leave valuables in the car, store them in the trunk or out of sight in a locked compartment.

**Park in well-lit areas:** Whenever possible, choose a parking spot in a well-lit area. Adequate lighting can deter criminals and make it easier to identify suspicious activity.

**Avoid secluded areas:** Opt for parking spots that are in busy or well-traveled areas. Avoid

secluded corners or areas that are poorly visible, as they provide more cover for potential thieves. Utilize security features: If your vehicle has any security features, such as an alarm system or a steering wheel lock, be sure to activate them. These additional layers of security can discourage thieves from targeting your vehicle.

**Keep a record:** Take note of your license plate number, make, and model of your vehicle, and any other relevant information. This information may be useful in the event of theft or damage to your vehicle. Remember, while taking these precautions can reduce the risk of theft or vandalism, it's important to stay vigilant and aware of your surroundings when parking your vehicle in a public area. ★

### **Tip of the Month**

Don't keep your head down AND don't keep your left arm straight!!! **WHAT? THAT'S RIGHT - DON'T.** Keeping your head down makes bad posture and restricts your shoulders from turning properly.

Keeping your left arm stiff (right had golfers) is bad and makes the swing stiff and tight and the arms do not swing freely.

We want to keep the head "still" not moving up or down or left or right - just still throughout the swing and this helps you hit the ball more solid and allows the body to turn better.

We want to keep the left arm "relatively straight" but a little loose so we can swing our arms more freely. Try these two things and see if it helps some- get the tension out and swing free.

**CITY ACCEPTS PARKING PERMIT APPLICATIONS BEGINNING AUGUST 1, 2023**

The Cy-Fair ISD 2023-24 school year begins August 21, 2023. The City will begin accepting applications on August 1, 2023 for parking permits that allow certain residents to park on certain city streets within the school zones during the 2023-24 school year.

In 1999 City Council passed an ordinance providing exceptions in the no parking/tow-away zones on your street. The ordinance established a permit system, which, upon application, issues two parking permits. A person may park a motor vehicle, which displays the issued permit, on the street in front of the address

on the permit. The parking permit is issued annually upon application at no charge; however, replacement permits are \$25.00 each. If you are interested in applying for a parking permit, please complete the Application for Parking Permit found on our website at <https://www.jerseyvillagetx.com/page/city.forms> beginning August 1, 2023. The forms are completed on our website using DocuSign and automatically sent to the City. There is no need for residents to return the form to City Hall. ★

## Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

We are excited to report that our CVS Drug Take Back kiosk has received over 100 pounds since September 2022. With that being said, we need your help

to continue to make this program successful.

The program does come at a cost to the City and we ask that you take the following steps

in dropping your controlled substances off in an attempt to reduce the number of pounds we have to destroy:

- **Empty all pills into a Ziploc bag.** (Throw the container away in your trash after scratching out your personal information)
- **Please do not drop any glass containers into the kiosk.** Broken glass is not our friend! Thank you in advance for your support in managing the program. ★

## Citizen Involvement Welcome!

City government depends on residents who volunteer their time and expertise to participate in public service as members of boards and commissions. Boards and commissions fulfill an important role by evaluating issues, which affect our community, and making recommendations to the Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Jersey Village a better place to live. City Council encourages you to apply for appointment to any board or commission in which you may be interested.

Council will consider appointments to most boards and commissions at its September Council Meeting. If you are interested, please complete an application. If you currently have an application on file, please contact the City Secretary to confirm your interest in serving with the City. Only new or confirmed applications will be considered.

To view an online application, visit the City of Jersey Village's website at [www.jerseyvillagetx.com/page/citysec.home](http://www.jerseyvillagetx.com/page/citysec.home) or contact Lorri Coody, the City Secretary at **713-466-2102**. ★

## Tip of the Month

Wow, how many days in June were over 100 and heat indexes over 110? A bunch. As I write this, July is now heading in those same footsteps, and has been over 100 for the last several days. We have had multiple people overheat on the course & range, and it is important to note that these incidents are not limited to a particular age group. It can happen to anyone. Please drink plenty, (non-alcohol) and look for shade while waiting to hit or when time allows. Always wear a cap or hat. On the range, we have sun shelters to take a break and sit under. If you start to feel anything that is not normal, come inside and sit in the AC for a minute. With our junior camps coming week, we may be "breaking" more than hitting. We also have made a major effort with our concessionaire (BYG) to run the beverage cart on all days and be available. We have water containers available on 6 of the 18 holes that are filled and checked multiple times a day by staff. Yeah, be careful in this heat and the way I see it, we have two more months of it.

## Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

**Commendations:** During the July 17, 2023, city council meeting, three officers were presented with awards for their outstanding contributions to the City of Jersey Village.

Officer Shelby Skero was presented with the American Legion Post 324 Officer of the 2nd Quarter Award for her outstanding performance in the line of duty.

On Friday, June 23, 2023, during the incident involving a stolen vehicle near the intersection of Jones Road and Village Green Drive. Her swift actions, judicious observations, and effective coordination with other members of the platoon resulted in the successful apprehension of a suspect.

Upon arriving at the scene, she located the stolen vehicle parked in front of the Harbor Freight store, despite the suspects' attempt to flee. She quickly assessed the situation realizing that a subject had likely been dropped off and was still inside the store, potentially engaged in criminal activities.

Collaborating with the detectives, she confirmed the presence of a suspect in the store at the time the stolen vehicle departed. Her commitment to the pursuit of justice was evident as she, the JVPD Drone aka (The Pink Flamingo), and the detectives began the search for the suspect. Utilizing surveillance video footage, she tracked the suspect's movements throughout the plaza, diligently monitoring his attempts to contact the occupants of the stolen vehicle. Her efforts to gather information from the Houston Police Department regarding the suspect's previous evasion of arrest during another theft earlier in the day demonstrated her thoroughness in

building a comprehensive case and arrest.

Officers Guzman and Garcia both received the department's Life Saving Award for their actions during a CPR in-progress call.

On Wednesday, April 26, 2023, Officers Guzman and Garcia responded to a residence in the 16000 block of Acapulco Drive, in reference to a man down in the front yard. Officer Guzman arrived on scene first and found the male lying unconscious, not breathing, face down on the grass. Officer Guzman immediately requested EMS to respond and began performing CPR. Hearing the call for EMS over the radio, Officer Garcia arrived and assisted with chest compressions. They continued to try, and get a pulse while he was still unconscious and not breathing. When EMS arrived, they applied the LUCAS CPR device on the patient and were able to bring him back to life. The patient maintained a pulse and adequate blood pressure throughout transport by Jersey Village Fire Department to a local hospital. Captain Kevin Sullivan of the Jersey Village Fire Department advised that if it were not for the officers efforts the patient would not have made it to the hospital live.

These officers are receiving the Departmental Life Saving Award for their quick actions that prolonged the life of an individual. Their actions are a true testament to the noble profession they chose, bringing favorable recognition to the Jersey Village Police Department and themselves.

These are just a few of the most recent examples of the exceptional job our officers do every day to protect our wonderful and supportive community! ★

## Jersey Village Fire Department Santa Program Christmas 2023

On September 30, 2023, at 9 am, residents of Jersey Village will have an opportunity to sign-up for the Jersey Village Santa visits. This will be an on-line sign up link through Sign-Up Genius. Visit [www.jerseyvillagetx.com/page/Santa](http://www.jerseyvillagetx.com/page/Santa). The link to sign-up will be posted on that page. There will be plenty of time to see the link. You should not need an account with sign-up genius to sign-up. Just pay attention to the link and make sure once the link is posted it will connect to the website. This link is posted and will go live at 9:00 am on September 30th. There will NOT be an in-person sign-up or phone sign-up. The only way to sign-up will be on-line through the link. Sign-up only one time and we will be in touch with you at a later date to confirm. At that time, we will also determine if you will need one or two slots depending on the amount of children Santa will visit. Once all the days are filled, we will change our website to reflect that all slots have been filled and the remaining persons not contacted will be on a wait list. If your name appears on the list more than once, we will remove the additional listings. The dates for Santa Visits will be December 8, 9, 10, 15, 16, 17. Friday times are 6pm-9pm. Saturday and Sunday times are 5pm-9pm. Please have a couple of dates in mind. If you have any questions, please email [mbitz@jerseyvillagetx.com](mailto:mbitz@jerseyvillagetx.com) or call 713-466-2143 and leave a message for a return call. ★

## Tip of the Month – Repeat Tip!!

Y'all know it was record setting heat in August and I'm sure it is going to continue in September. I'm happy to say we have had no real heat related emergencies and I'm sure it is because EVERYONE IS BEING SAFE! We have increased our water stations on the course and have the beverage cart out more hours. Stay hydrated every hole. If you are drinking alcohol remember to drink even more water. ## Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

**Promotions:** On Monday, June 5, 2023, Officer Leonard Scott and Detective Jared Taylor were promoted to the rank of Sergeant. Please join us in congratulating them on their accomplishment.

Sgt. Leonard Scott has over six years of experience in law enforcement. He started his career with Zachary Police Department in the State of Louisiana and was a police officer with Missouri City prior to becoming a member of the Jersey Village Police Department in October of 2022.

During his first three years as a police officer in the State of Texas, Sgt. Scott achieved his Advanced Peace Officer Certification, displaying his dedication and commitment. He has an Academic Achievement Award for his bachelor's degree in Sociology, with a specialization in Criminal Justice, from the University of Tennessee, alongside an accredited TCOLE Peace Officer License. In 2020, Sgt. Scott was honored with a Lifesaving Award for his swift actions that undeniably led to the saving of a life. In 2021, he received the Excellent Police Duty Award, an accolade bestowed upon officers who exemplify unwavering dedication and professionalism. Accompanied by his family, his wife did the honors of pinning his badge, marking a significant milestone in his career.

Sgt. Jared Taylor started his law enforcement career after graduating from the Lone Star Police Academy in 2009. He currently has over 14 years of dedicated service. He joined the Cleveland Police

Department in Liberty County after graduation and served 3 years performing the duties of a police officer, narcotics detective, and a dedicated field-training officer. In July of 2012, Sgt. Taylor joined the Jersey Village Police Department, and has served this community for over 11 years in which he has contributed significantly to this community and department. During Sgt. Taylor's tenure with the Jersey Village Police Department, he has performed the duties as a committed Patrol Officer, a seasoned Field Training Officer, a Patrol Corporal, and as a Detective in the Criminal Investigations Division.

Sgt. Taylor currently holds an Advanced Peace Officer license. His unwavering dedication to his duties has led him to his new role as a Patrol Sergeant. This promotion marks not only a milestone in his career but also the beginning of his willingness to lead as we continue to improve our organization. Congratulations on their accomplishment! ★

## **Tip of the Month - Repeat Tip!!**

Did you know there is more than 2 grips! Every golfer thinks you either overlap or interlock. That's not true the oldest grip is the 10-finger grip that the index finger and the fore finger do nothing together. We somewhat were forced into the interlock or overlap grips when beginning golf. Even our pros probably hated the interlock or overlap when their first instructor forced them into it. Yes it "ties" your hands closer together and that is a good thing, but a good 10 finger grip can stay together too. Most all the famous old-time golfers we all read about in golf history were 10 finger gripping. The main thing in your grip is to love it and if you struggle with feeling comfortable with the overlap/interlock, then try a 10 finger. Just make sure they are tight fit together and don't separate. If you have some pains in your hands or wrist sometimes a 10-finger grip will ease that some. I actually use a 9 1/2-finger grip! LOL My little finger of my right hand is not totally overlapped on my left forefinger - it just sits lightly elevated in between the hands. That is comfortable to me. Get your hands comfortable on the club, do not squeeze too tight and don't change it, learn to love it. **Good Luck - Happy Golfing Matt Jones**

## **Sponsor a Park Bench**

Support your Jersey Village Parks and Recreation department by sponsoring a park bench/memorial bench. Residents who sponsor a memorial bench can choose between a 6ft bench for \$250 or a 4ft bench for \$200. Each bench purchase includes the option to add a personalized plate, allowing you to inscribe it with a heartfelt message or the name of your cherished individual. You can even pick the location of where the bench will be placed (per approval). These benches will have the same design as the current ones at our parks.

### **Dog Park Memorial**

For \$50, residents can personalize our dedicated dog park memorial bench with a beautifully crafted dog bone plate cutout, bearing the name or a heartfelt message dedicated to their canine companion. This symbolic gesture not only celebrates the bond we share with our four-legged family members but also adds a meaningful touch to our dog park. The bench has 25 slots available for Dog Bone cutouts.

### **How to purchase:**

You can purchase the items above using our recreation software "Amilia". Scan the QR code below to purchase today!

## Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

The Jersey Village Police Department wants to help protect our citizens from being victims of package theft this holiday season. We need your help in apprehending individuals involved in theft-related activities. Should you observe any suspicious behavior in your neighborhood, we urge you to reach out to us promptly. Please contact our Communication Center at 713-466-2118, and we will quickly dispatch an officer to conduct an investigation.

### To safeguard your deliveries, consider the following recommendations:

- Opt for an alternate delivery location other than your front porch.
- Utilize Amazon Hub Lockers, offering secure drop-off points. These lockers can be selected during the checkout process or

by adding a new address in your Account.

- Choose to have your packages shipped to a UPS, FedEx, or USPS store for added security.
- Foster a neighborhood network where neighbors can watch out for each other's deliveries.

For in-person transactions, our police department offers a secure location in our parking lot. Simply follow the signage and park in the designated areas on the west side of the police department.

These measures can significantly reduce the risk of package theft, particularly during the holiday season. If you have any inquiries or concerns, do not hesitate to reach out to our department at 713-466-2118.

**Wishing you a joyful holiday season! ★**

## **Tip of the Month**

### **CHECK YOUR STANCE FOR A BETTER SWING!!**

Your width of stance (feet) is very important in your set up and during your swing. I see many golfers with a super wide stance and that can restrict your hip turn and make your hips move more lateral. If your stance is too narrow you may turn great, but you may be “top heavy” and your head moves all over the place. We need to find a “happy medium” width of stance. I like to measure my feet FROM BIG TOE TO BIG TOE – (not outside of foot to outside of foot) and make that distance about as wide as my shoulders. Get a yardstick and actually measure this distance and when hitting practice balls periodically check this. The only time this would change is with a driver you might add an inch or two to the width or your wedges where you might subtract an inch or two. Remember good turn with good balance is a good recipe for solid shots!

**Good Luck - Happy Golfing! Matt Jones**

## **CITIZEN INVOLVEMENT WELCOME!**

City government depends on residents who volunteer their time and expertise to participate in public service as members of boards and commissions. Boards and commissions fulfill an important role by evaluating issues which affect our community and making recommendations to the Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Jersey Village a better place to live. City Council encourages you to apply for appointment to any board or commission in which you may be interested.

Council will consider appointments to the Tax Increment Reinvestment Boards Two and Three at its Regular December Council Meeting. If you are interested, please complete an application. If you currently have an application on file, please contact the City Secretary to confirm your interest in serving with the City. Only new or confirmed applications will be considered.

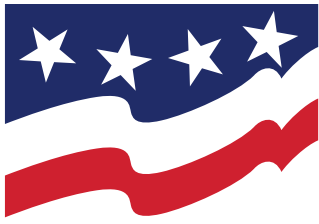

To view an online application, visit the City of Jersey Village's website at [www.jerseyvillagetx.com/page/city.boardsapplication](http://www.jerseyvillagetx.com/page/city.boardsapplication) or contact Lorri Coody, the City Secretary at 713-466-2102.

## Rock Painting Plus

WHEN: First Tuesday of every month |  
10:30AM | Civic Center  
Fee: \$5 per student

Rock painting is a fun and easy craft, but you don't have to just use paint and a brush. In these classes we will be learning different techniques for decorating rocks, including pour painting, dot painting (mandala) and decoupage.

Rock Painting is easy enough for almost any age; however, these are a little more complicated, so class will be geared to ages 10 and up. Each class is designed to be a stand-alone project.

# Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

## Announcement:

I am pleased to share an important update regarding a recent decision made to enhance the efficiency of our personnel deployment.

In September, a strategic effort was undertaken to optimize our workforce, leading to the reclassification of the Warrant Officer position. The reclassified role is now that of an Administrative Police Officer, who will report directly to the Criminal Investigation Commander.

The Administrative Police Officer position is multifaceted, encompassing responsibilities related to courtroom proceedings,

the effective management of our police department fleet, and the coordination of both internal and external training initiatives. This role demands excellent communication, organizational, and interpersonal skills. They must possess strong problem-solving abilities and attention to detail, as they will be tasked with addressing fleet-related issues, troubleshooting training challenges, and implementing innovative solutions to optimize our overall operations.

I am delighted to announce that Officer Shelby Skero has been selected as our first Administrative

Officer. Since assuming this role, Officer Skero has not only met but also exceeded our expectations. Her dedication, skills, and commitment to excellence have contributed significantly to the successful execution of her responsibilities. Officer Skero was the recipient of this year's Cy-Fair Houston Chamber of Commerce Officer of the Year for her outstanding service in her to role at their annual banquet.

Please join me in congratulating Officer Shelby Skero on her outstanding performance in this new role, and for being selected as this year's Cy-Fair Houston Chamber of Commerce Officer of the Year. We look forward to witnessing the positive impact she will continue to make on our department. ★

## A Quick Guide for Christmas Light Safety

As Christmas approaches, many of us will be decorating our homes with Christmas lights. This article gives some tips to follow in order to make your decoration safe.

**Opt for Quality Lights:** Choose lights with safety certifications like UL or ETL to ensure reliability.

**Inspect Before Decorating:** Check for damaged wires or bulbs before hanging lights. Replace any faulty ones.

**Differentiate Indoor and Outdoor Lights:** Use outdoor lights outside and indoor lights indoors for durability.

**Mindful Installation:** Install lights away from flammable materials, using proper hooks or clips instead of staples.

**Prevent Overloading:** Follow manufacturer guidelines for connecting lights and use surge protectors to avoid overloading outlets.

**Turn Off Before Bed:** Save energy and reduce risks by turning off lights before bedtime or use a timer for automation.

**Stay Attentive:** Regularly check lights for issues throughout the season, addressing any concerns promptly.

Practicing these simple tips will help keep your holiday safe while you enjoy your decorations. ★

**January 12th & January 19th**  
7:00PM

- Concessions will be available for purchase at Family Bingo. (January 21st at The Civic Center).
- Adult bingo will take place at the Civic Center this year. Must be registered to participate in this event.

### **Tip of the Month** **Please Help Our Course!**

- We have ENTER and EXIT posts on all the par 4's and 5's. The carts should only enter the fairway past the enter post and always return to the path well before the exit post.
- "The 90-degree rule" means to always drive on the cart path as much as possible and when you are even with your ball in the fairway, drive out straight to the ball and drive straight back to the cart path. Never run parallel to the cart path or straight down the fairway.
- Par 3's are always cart path only but sometimes we need a reminder.
- Sand your divots after iron shots. Our carts provide 2 sand bottles, and we have a refill box on #5 and #14. You can also exchange full bottles for empty bottles at the 10th tee.
- Fix your ball mark on every green – plus 2 more!
- Stay in the middle of the cart path and pay attention when making turns. This will avoid making ruts on the edge of the cart paths.
- Don't drive your cart to every ball. It is okay to walk some, right?

These are just a few tips to help do your part as the golfer. We have a true vision to get our course to the best conditions ever!
