Jersey Village Wins Prestigious Parks & Natural Area Award for Golf Course Berm Project

The City of Jersey Village is proud to announce that we have been named a recipient of the 2024 Parks and Natural Area Award from the Houston-Galveston Area Council (H-GAC) for our innovative berm project at Jersey Meadow Golf Course. This award highlights exceptional projects that serve as regional models for how parks and natural areas can enhance water quality, preserve habitat, and improve quality of life for residents.

The berm project was designed to retain water that falls onto the course and also remove water from the Wall Street Neighborhood by pumping the storm water to the golf course when the bayou levels rise. Additionally, the berm project contributes to the beauty of the course and offers a better experience for golfers and visitors, reflecting Jersey

Village’s commitment to balancing flood mitigation, recreation and environmental stewardship.

Winning this award is an honor and testament to Jersey Village’s dedication to improving public spaces in ways that benefit the entire community. The H-GAC recognition places our project among the best in the region, showcasing how thoughtful planning and execution can make a significant impact.

The award ceremony will take place on February 21, 2024, where city representatives will join other honorees to celebrate this achievement. We are excited to share this recognition with our residents, who inspire us to keep striving for excellence in all our projects. ★

Matt's Tip of the Month

Wow January is here and Houston's "so called" winter is in full force. Don't let the constant weather changes affect your golf swing! We have options at Jersey Meadow: Our Virtual Meadow (Indoor Hitting Bays) are open every day until 9:00 pm on Mon, Tues, Wed, Sun and 11:00 pm on Thurs, Fri, Sat. Bays are available to rent by the hour for practice or to play famous courses. Additionally, the different practice range apps are fantastic and can give you all kinds of feedback information. Our newest option is to use our driving range at night. Yes, at night! 4 different lighting towers will be used to light the driving range and stay open every night until 9:00 PM. So, when we get those beautiful "so called" winter days that are clear and 50-70 degrees, take advantage of the alternative options and keep practicing your swing. Don't let winter bring your game down. ★

Happy Golfing - Matt Jones

Jersey Village Receives Top Honors for Excellence in Financial Reporting from GFOA

The Government Finance Officers Association of the United States and Canada (GFOA) has recently honored the City of Jersey Village with the prestigious Certificate of Achievement for Excellence in Financial Reporting. This accolade, awarded for the city's annual comprehensive financial report for the fiscal year ending on September 30, 2023, represents the highest form of recognition in governmental accounting and financial reporting. The award reflects the City's dedication to financial integrity and accountability. It symbolizes the city's proficiency in governmental accounting and its dedication to adhering to the highest standards of financial reporting, providing for an easy and transparent way for residents to understand the information. ★
